

# Let's make a video in Splice

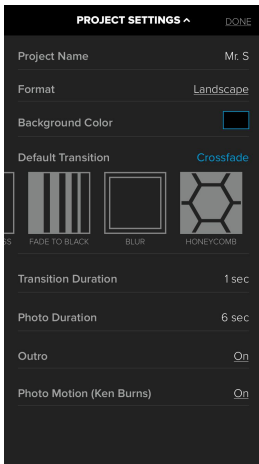

- 1) Download **Splice** in the App store
- 2) Take a minimum of 10 pictures/short videos (3 seconds) of the exhibition.

3) Select media and upload it to Splice

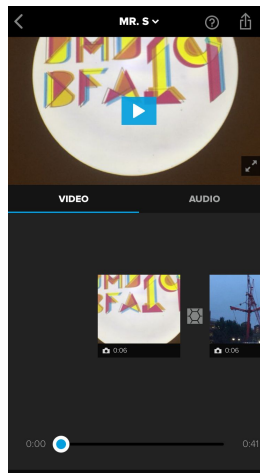

4) Make your choice of audio

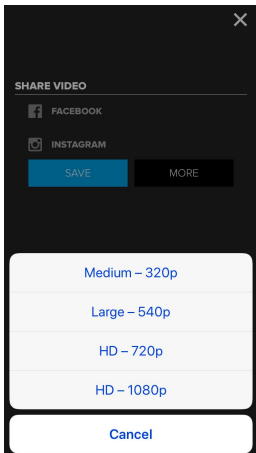

5) Name the file "Firstname Lastname"

Make adjustments to transition and duration before editing further in the next screen

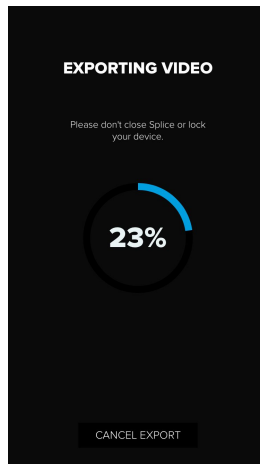

6) Make any further changes

To export, click this icon:

Save as **medium** or **large**

Export and email to Mrs. C
